Book Synopsis

Build a Second Income, or even work full time, Selling Products and Services on the Internet! Could you use a little extra cash? Would you like to make some money to get a little ahead, pay a few bills, go on a little vacation or just get some breathing room in your finances? Does the idea of working from home in your pajamas sound like the ideal situation? Would you like to avoid that long commute to work or just be closer to your family? Looking for a job is challenging, and while getting a steady paycheck is nice, being employed can mean being stuck doing something you hate just to earn your living. Sometimes you find yourself doing what you are told even though you disagree or don't feel well. I know exactly what you are going through. I worked a full time job for 33 years, slaved away working for someone else, my blood and sweat adding to their bottom line. And the result was stress, migraines and having to put up with incompetent management. That's to say it was all bad, but I realized I wasn't going anywhere good working for corporate America. Discover how to begin selling on EBay without spending any money on inventory, using good product descriptions, photos and titles to get customers to look at your products and make purchases. You CAN make a decent amount of money, even a good living, from opportunities available on the internet. I know this is true, because that's what I've done. I took a chance, left my job, and created my own business making money working on the internet. In this book, I'll give you 27 different ways you can earn an income from the comfort of your home: * Can you make a living selling on eBay? * Do banners ads work? * Can you blog your way

to an income? * Do you have a hobby - music, writing, art - that can be leveraged into cash? * Can you sell your time as a virtual assistant? Along with many valuable tips and essential information.
